PROVINCIAL ASSESSMENT GUIDELINE DOCUMENT

FOR

TECHNOLOGY

(Intermediate and Senior Phase)

30 MAY 2007

PREFACE

The Eastern Cape Department of Education, Curriculum Chief Directorate in collaboration with the district curriculum personnel, provincialised the National Assessment Guidelines for Technology with the purpose of increasing the capacity of teachers to have a clear picture on the process of assessment in general and on continuous assessment in particular.

This process has been informed by the Policy on Assessment of February 2007, National Assessment Guidelines of 2007, the Teacher's Resource Book for Senior Phase of 2005 and Technology Learning Area Statement.

Critical engagement with the document is encouraged. We invite you to be as rigorous and as vigorous as you can and have complete faith in your professionalism as you implement the National Curriculum Statement (NCS).
