1. Foreword by Deputy Director General

The 2017/18 District Operational Plan is based on the *Revised Five-year Strategic Plan 2016/17 to 2019/20, Annual Performance Plan 2017/18 and Head Office Operational Plan 2017/18*. The Strategic Plan was revised to take account of developments in the country and province which affect our mandate to deliver quality education in the Eastern Cape. In particular, the Revised Strategic Plan and, therefore, this Operational Plan, reflect greater alignment with government's policy priorities expressed in the National Development Plan (NDP), the 2014-2019 MTSF, and the revised Basic Education Sector Plan, *Schooling 2030*.

The 2017/18 Operational Plan is also informed by the provincial Education Transformation Plan (2016 – 2018) which is based on an in-depth review of the work of the Eastern Cape Department of Education (ECDOE) over the past few years. The Transformation Plan has seven pillars to ensure quality education for all our children.

- Increased number of functional schools
- Rationalised and realigned small and unviable schools
- Fully Capacitated and Functional Districts and Head Office
- Social partners mobilised and rallied around the change agenda
- Increased supply of appropriately trained educators
- Adherence to national funding norms
- Unqualified audit outcomes

The 2017/18 District Operational Plan reflects the Department's commitment to the Transformation Plan through the introduction of a new Service Delivery Model and a new organogram. We believe these initiatives will enhance our efforts to improve the quality of education in the province.

The plan is informed by the lessons and experiences of the last five years but most importantly it is guided by our commitment to providing quality education to the 1,7 million children in our schools. We believe this plan, properly implemented will support this commitment.

The Operational Plan also builds on some of the successes of recent years. In 2016 the National Senior Certificate (NSC) pass rate increased and the number of candidates with Bachelors passes increased to the highest number since the NSC was introduced in 2008. We will learn from these successes and ensure our 2017/18 plans are based on the lessons learnt.

The Department will continue to reduce school infrastructure backlog across the Province, through ongoing provision of physical facilities so as to enhance the quality of the teaching and the learning environment, and restore the pride and dignity of learners, educators and communities. Provision of water and sanitation across schools in the province are central to these plans. New special schools are under construction and others are in the process of being upgraded and renovated. None of the plans set out in the 2017/18 Operational Plan will come to fruition without the support of our valued partners and stakeholders.

We are very aware of our responsibility to our children, educators and parents and we will endeavour to implement the programmes and plans set out in the 2017/18 Operational Plan to the best of our ability. Through our joint efforts we will place the children of the province and their learning opportunities at the centre of all we do in 2017/18.

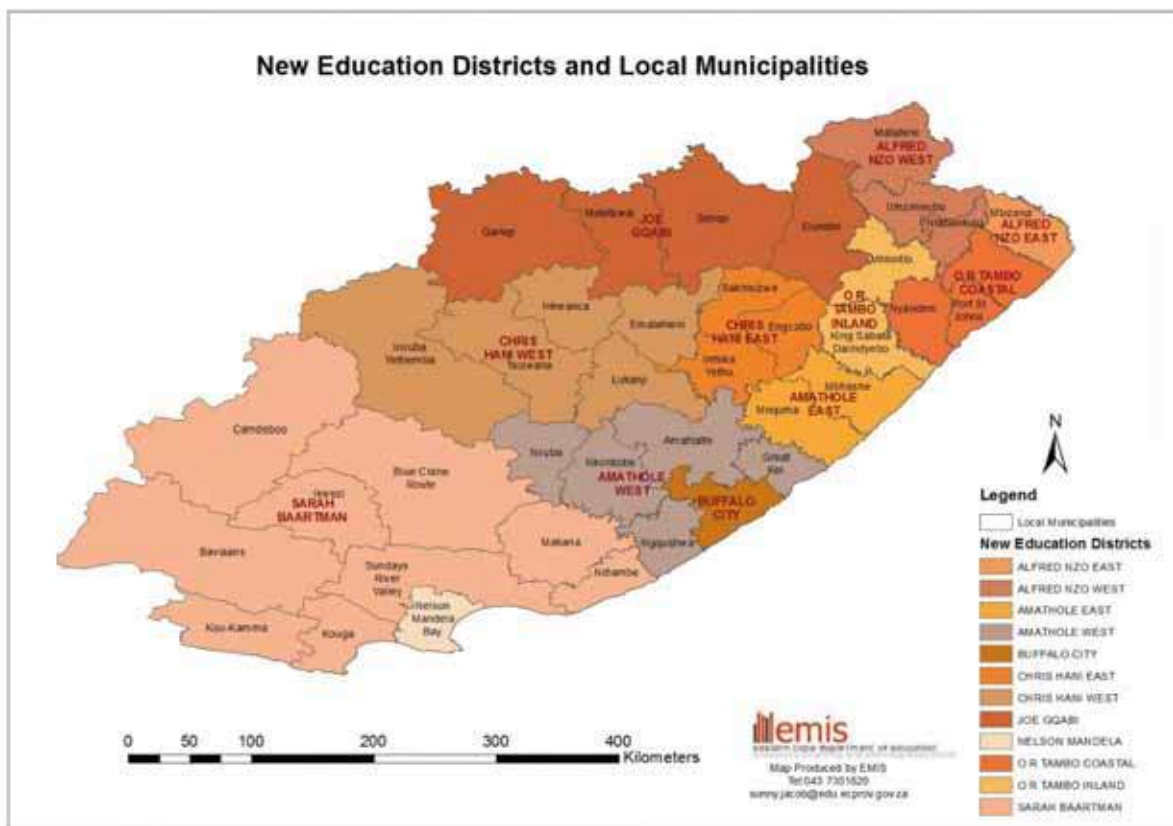

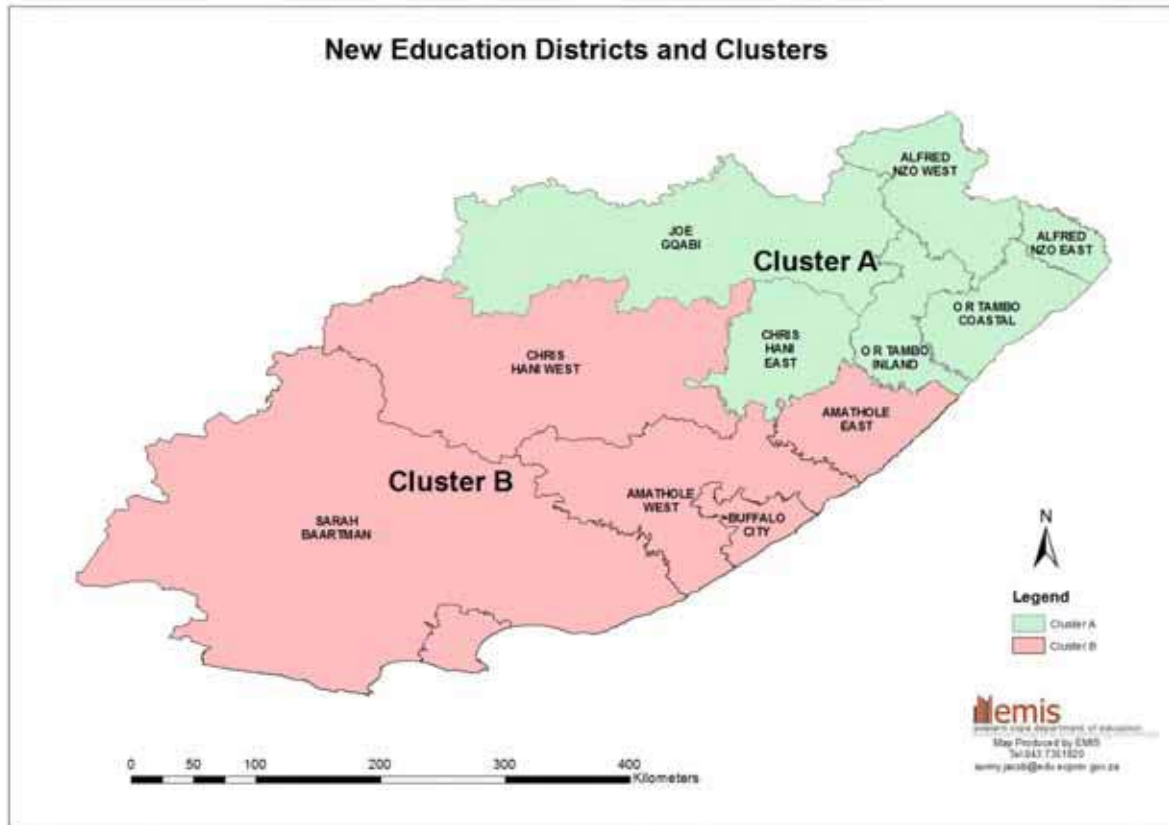

I wish to thank you all for your commitment to improving education in the Eastern Cape and urge you to assist us in implementing the 2017/18 District Operational Plan

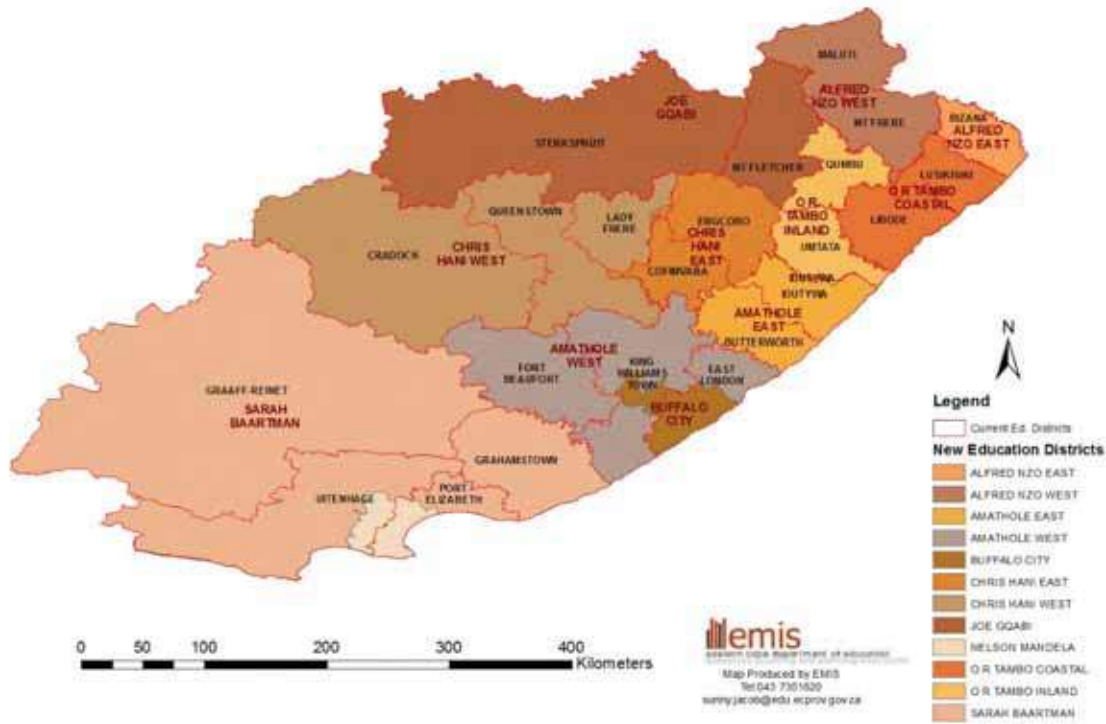

RAY TYWAKADI

DEPUTY DIRECTOR GENERAL: IOM
